Winning Performance at Ramanujan Spark Quest

Dishanth S of Class 10 secured First Prize at the Ramanujan Spark Quest 2026, organised by The Hindu at Excellent Moodabidre.

Dishanth demonstrated an ability to understand questions quickly, connect ideas across concepts and identify the most appropriate answers with accuracy. His logical approach, sharp observation and presence of mind enabled him to respond confidently while managing the time constraints of the competition. His performance highlighted his ability to think critically, make informed decisions and put his learning into practice.
