Dear Parents,

New Year greetings from Excel Public School!

- As per the latest advisory from the competent authorities, Excel Public School (both the campuses) shall be making wearing of face masks compulsory for all Staff and Students, with effect from 3<sup>rd</sup> Jan. 2023, until further orders.
- Students are encouraged to use sanitisers and follow the guidelines to ensure personal hygiene. Students may carry a small bottle of sanitizer for personal use. Sanitizer dispensers will also be placed at different locations in the school premises.
- Students with flu symptoms (fever, feeling feverish/chills, sore throat, runny nose or stuffy nose, headaches, fatigue etc.) are advised to be extremely careful not to be in physical contact with other students. Parents of such students are advised to apply for leave, until the student is fully well, or the possibility of Covid infection is ruled out through RT-PCR Test.
- Students with overseas travel history during the holidays are expected to return to school only with RT-PCR Negative Certificate, or after a gap of three days upon their return to Mysore.
- We request all the Parents/students to strictly adhere to the above instructions, keeping in mind the safety and well-being of the self and the others on campus.

Wishing you a happy, healthy and prosperous year ahead,

Yours,

Mathew K G  
(Principal)
