Please Note:

1. If any of the working days during the said period become unexpected holidays, the amount collected will be adjusted to the next quarter.
2. There is not provision for lunch facility on a day-to-day basis as the lunch is supplied on pre-order basis.
3. There shall be NO provision to adjust/carry forward the lunch fee for the day/s of a student's absence.

The following points may be noted by the Parents who are opting for the Lunch Facility at the School –

1. The Lunch facility is optional and solely at the discretion of the parent to opt for the same.
2. School Management has considered this arrangement and is facilitating the same based on the request from Parents, especially from those where both the Parents are working.
3. Pure South Indian vegetarian lunch will be served to the students opting for this facility, from Monday to Friday.
4. As the School Management is facilitating this, considerable care has been taken in vendor evaluation, hygiene and quality of the facility. Care is also taken in monitoring these parameters from time to time.
5. The Management could choose to withdraw this facility on its discretion without any prior notice or consent from the Parent.
6. Students are expected to adhere to the rules and regulations with regard to their discipline and conduct in the School Cafeteria and follow the instructions and directions of the staff-on-duty.
7. The 'Lunch Fee' will be payable in three instalments (June to September, October to December and January to March). The Fee for each term will be calculated on the basis of the number of working days and shall be made known to the Students and the Parents sufficiently in advance. The Lunch Fee shall not be accepted after the specified deadline.
8. The Management would consider deemed "No objection" from the parent on the above terms once the student enrolls for the option.
