

30th May, 2021

Dear Parent/Student,

World Environment Day, observed on the 5th of June every year is a United Nations flagship programme to promote awareness and action for the environment. The theme for this year's World Environment Day is, "Ecosystem Restoration".

We at EPS are observing this day by conducting various competitions that will help our students reinvigorate the relationship with nature. Students who are interested in participating in these competitions can find the link in the school website or can fill the form by clicking the following link.
