Dear Parent,

Excel Public School is pleased to provide the facility to track their respective ward's school bus location with an easy to use mobile app to the Parents. This is applicable to Parents of Students who are utilizing the EPS School bus transport facility. The mobile app is available for both Android as well as iPhone users. A PDF document has been emailed to concerned Parents on 16 August 2022, which may please be downloaded and following the instructions given in this document, the app may be installed and used.

Regards

Mathew K G
(Principal)
