

Aiming for Precision!

In July 2023, JUO Savi Kiran Holla excelled at the Inter Directorate Sports Shooting championship in Kerala, securing 4th place. Her prowess earned her a spot at the All India GV Mavlankar competition in Mhow, where she and seven other cadets received honours from the Governor of Karnataka, Mr. Thawar Chand Gehlot. Rising among 300-plus shooters nationwide, she qualified for the National Sports Shooting Event in New Delhi, scoring 590/600 against top competitors, but missed the entry to the International Team by five points. Her journey began in May 2023, attending camps and competing against the best shooters from across India, including the cadets and pros of the armed forces, striving to secure a spot on the National Shooting Team.
