

Dear Parents,

Subject: Foundation Programme for Classes 8, 9, and 10.

I am writing to inform you about an exciting opportunity for your ward to participate in our Foundation Programme under the banner of ECTS (Excel Centre for Theoretical Sciences), designed specifically to prepare students of Classes 8, 9, and 10 for the various prestigious examinations, including the Olympiads, NTSE and other competitive exams.

The primary objective of our Foundation Programme is to provide a comprehensive and structured guidance to students in their pursuit of academic excellence and career pursuits. The programme aims to:

- **Enhance Research Mind-set & Problem-Solving Skills:** To sharpen critical thinking, logical reasoning, and problem-solving enabling them to tackle complex challenges confidently, innovate and make informed decision.
- **Foster a Strong Academic Foundation:** By covering core concepts in Mathematics and Science.
- **Develop Competitive Exam Strategies:** By focussing on effective exam strategies, time management techniques, and test-taking skills to equip students with the tools they need to excel in competitive exams.

Program Details & Fee for Term 1 (non-refundable)

Term 1 - July to September

Term 2 - November to January

Schedule

- Commencement Date : 25th June 2024
- Programme Days : Tuesday and Thursday
- Timing : 4:15 p.m. to 5:45 p.m.
(School buses return starts at 6:00 pm)
- Programme Fee : Rs. 4000.00 (inclusive of snacks return transport facility and honorarium to the resource persons, both in-house and external)
- Programme Fee : Rs. 4750.00 (for those who are not using the school transport facility, currently)

Scope of the Programme

- A solid theoretical foundation in subjects equips students with the knowledge and abilities required for creativity/innovations.
- Explore the subjects beyond the school curriculum, expanding their knowledge base.
- The programme will familiarize students with the format and requirements of various Olympiads, NTSE, and competitive exams.
- Exceptional performance in Olympiads and NTSE can lead to scholarships, recognition, and exposure to a wider network of academic opportunities, further motivating students to strive for excellence and for their higher studies.

Upon registration, using the Google Form, a payment link shall be sent to the registered mail id of the parent and an SMS to the emergency contact number, with a mention of the last date to make the payment. No other mode of payment will be accepted.

Registration Link for Google Form:

https://docs.google.com/forms/d/e/1FAIpQLSc3vhBJE6dW90spejU1pkrmIT_mtVKwlujsJXR9q3Ha3qltJQ/viewform?usp=sf_link

Please Note:

- *The programme would commence only on a minimum number of students registering for the programme*
- *School Bus facility will be available only to selected points. Drop points will be announced once the registration is completed.*

Best Regards,

Mathew K G
(Principal)
