

EPS Teachers' Awards

Swami Vivekananda Youth Movement, Mysuru, organized Guru Manthan, a state-level teaching camp from August 31 to September 2, 2023. Over 225 educators from various regions of Karnataka actively participated, submitting videos and lesson plans. Forty-four teachers advanced to the final round. The competition sought to recognize and applaud creative approaches to teaching methods.

Teachers formed teams and engaged in collaborative activities, promoting peer learning by observing each other's methods. In the initial round, they taught mixed groups of students from classes 8 and 9 and received constructive feedback from a panel of jury members. In the second round, teachers were assigned specific topics.

Among 44 finalists, three educators from our school, Ms. Prathama S N, Ms. Neha S Y, and Ms. Anusha G M, received special recognition for their exceptional teaching practices and were awarded cash prizes.
