

Basket Brilliance!

Our U-14 Boys Basketball Team won the Runners Trophy at the De-Paul Cup Inter School Basketball Tournament 2023, organised by De Paul International Residential School.

A combination of impressive dribbling moves, notable jump shots, and effective defense moves, supported Team Excel to win the Runners-Up position.

As these young players continue to develop their skills and passion for the sport, this achievement will be a source of inspiration and motivation for future tournaments and challenges.
