

## Budding Science Scholar!

Vishanth M Vivekananda of class 9 secured the First Rank in the South Zone of Vidarthi Vigyan Manthan State cluster held on 18 and 19 May 2024. He participated in several experimental tests, interacted with scientists, engaged in creative assessments, and attended talks on India's contributions to science and technology.

The event celebrated India's most promising young scientists and their groundbreaking projects at the Indian Institute of Science Education and Research, Bhopal.
