

REGISTRATION FOR ADMISSION TO CLASS XI - ACADEMIC YEAR 2025-26

Dear Parent,

I am delighted to announce that registration for admission to Class XI for the academic year 2025-26 is now open. In alignment with the vision of the New Education Policy 2020 and our commitment to fostering academic excellence, we offer a comprehensive curriculum that includes both Academic Electives and Skill/Vocational subjects.

While CBSE does not mandate specific subject combinations at the Senior Secondary level, we provide carefully curated combinations to ensure seamless scheduling and maximise academic opportunities. However, please note that the availability of any Skill/Vocational subject will require a minimum enrolment of 10 students.

Please find below the subjects that we are offering for the Academic Year 2025-26.

LANGUAGE (Compulsory for All)

- English

ACADEMIC ELECTIVES

- Mathematics [M]
- Physics [P]
- Chemistry [C]
- Biology [B]
- Computer Science [Cs]
- Applied Mathematics [Am]

- Artificial Intelligence [Ai]

SUBJECT COMBINATIONS OFFERED

Group 1 : PCMB, PCMCs, PCMDs, PCMAi, PCBDS, PCBAi, PCBPy
Group 2 : BsAEDs, BsAEAi, BsAEAm, BsAEPy

PROGRAMME HIGHLIGHTS

To stay aligned with global trends across various disciplines, we emphasise experiential learning through industry and field visits, summer internships, subject enrichment activities, and career research, while preparing students for board examinations. Additionally, we offer optional in-house classes after regular school hours to support students preparing for various competitive examinations.

ExceLearn Programme: This is a specialised competitive exam preparation initiative designed to bridge the gap between K-12 academics and students' career aspirations. It employs a unique flipped-classroom approach, promoting personalised learning for students aiming to take competitive exams such as NEET, JEE, K-CET, Comed-K, and CUET. The programme runs in offline mode on regular working days (Monday to Friday) and shifts to an online format on weekends and holidays. A separate fee is applicable for those who choose to participate in this programme.

If you wish to enrol your ward for the unique senior secondary programme at EPS, kindly send a confirmation note in the handbook by 26 November 2024. Once confirmed, registration forms will be issued to students selected by the Admission Committee. The last date to submit the filled in registration form will be 30 November 2024. Admission of students from outside EPS will be considered based on the enrolment of our students.

Any parent desirous of meeting the Principal / Headmistress-Senior Secondary, to obtain more information about the programme, may do so with a prior appointment.

Regards,

Mathew K G
(Principal)
