

Navigating Knowledge!

Our students, Mst. Bhuvan P M and Ms. Sreenandini Das, from Class 11, have achieved an extraordinary feat in an online quiz competition organised by the Indian Navy Academy (INA). Out of 12,655 participating schools, our team secured a prestigious position among the top 16, advancing to the national-level semi-finals. The impressive achievement allows our team to represent the state of Karnataka on a national platform. The team will travel to the Indian Naval Academy in Ezhimala, Kannur district, Kerala, for the semi-finals on November 7th and the Finals on November 9th, 2024. We congratulate the duo and wish them good luck for the upcoming semi-finals and finals!
