Excel Public School Mysuru wins the Trailblazer Award for Excellence in STEM/ STEAM Education in Karnataka!

We have been honoured with the ET TechX Trailblazer School of the Year 2024-25 Award!

Excel Public School has been recognised as one of the top five CBSE schools in Karnataka for our unwavering commitment to excellence in STEM/STEAM implementation, digital technology initiatives, and innovative practices.

Organised by Brainfeed Magazine, the award ceremony, held on December 5th and 6th, 2024, celebrated schools across the nation that have consistently demonstrated cutting-edge approaches to enhancing teaching and learning.

This commendation reflects our dedication to nurturing young minds, promoting innovation, and paving the way for a brighter future.

We extend our heartfelt gratitude to Team EPS, Students, and Well-wishers for their contributions in making this achievement possible.

We celebrate raising the bar in education and pursuing excellence!
