

Subject: Introducing the Integrated Model Program for JEE/CET & NEET Coaching

Dear Parents and Students of Grade 10 and 12,

Greetings from Excel Public School!

We are thrilled to announce an exciting new initiative tailored to support our students' academic ambitions and career aspirations. Beginning with the academic year 2025-26, Excel Public School will launch an **Integrated Program for JEE/CET and NEET Coaching** for Grade 11 students. This initiative comes in response to numerous requests from students and parents and will be implemented subject to a minimum number of students enrolling.

Program Objective

The Integrated Model Program is meticulously designed to empower students aspiring to excel in engineering and medicine. It seamlessly combines the robust senior secondary curriculum with expert coaching for competitive exams like JEE (Joint Entrance Examination) and NEET (National Eligibility cum Entrance Test), ensuring students receive comprehensive preparation under the guidance of experienced in-house educators.

Key Highlights:

- **Comprehensive Curriculum:** Integrated JEE/CET and NEET preparation woven into the Grade 11 and 12 syllabus for seamless learning.
- **Expert Faculty:** Training by experienced teachers and subject matter experts.
- **Innovative Learning:** Face-to-face classes, flipped classrooms, interaction with external experts etc..
- **Regular Assessments:** Periodic tests- online and off-line- to track progress and provide targeted feedback.
- **Premium Study Resources:** Access to expertly curated study materials, question banks, mock tests and digital resources.
- **Psychometric Assessments and Career Preparation:** to help students understand their strengths and innate abilities and charter their career aspirations
- **Regular Updates and Interaction with Parents:** To keep parents informed about their child's progress and learning journey.

Program Details

- **Batch Size:** Only 30 students per batch
- **Schedule:** Integrated into the regular school timetable, with additional coaching hours (Monday to Friday, 9:00 a.m. to 5:30 p.m. and Saturdays 9:00 a.m. to 4:00 p.m.). Regular Sessions during the term breaks and selected holidays.
- **Fees:** ₹2,25,000/- for the academic year 2025-26.

We believe this program will provide our students with the structured support and expert guidance needed to achieve their dreams of success in these prestigious competitive exams.

Next Steps

We encourage interested students and parents to seize this opportunity and take the first step towards achieving their academic and career goals.
