

**After-School Programme (Middle and Secondary School - Classes 6 to 12)  
Revised**

Dear Parent,

Greetings from Excel Public School!

Honouring the requests from several interested Parents' we have reduced the fee for *After-School Activities* for students of Classes 6 to 12, beginning in July 2025. This fee can be paid in two instalments. The first instalment of 50% of the total fee needs to be paid by 30<sup>th</sup> June 2025, and the second instalment of balance fee needs to be paid by 30<sup>th</sup> September 2025. These sessions are designed to provide enriching and constructive engagement beyond regular school hours and we do not want financial constraints to be a deterrent to our students' access to the programme.

Participation in the programme is entirely voluntary. The registration fee charged to cover honorarium for the facilitators and to partly take care of the evening refreshments, and conveyance. The sessions will be conducted by a mix of our in-house faculty and invited external experts.

The programme is scheduled for **60 days** during the Academic Year 2025-26 (from **July 2025 to January 2026**), and will be held on **Mondays, Wednesdays, and Fridays**, excluding government-declared holidays, Term-end Assessments and Term Breaks.

**Programme Timings: 4:15 pm to 5:15 pm (Monday, Wednesday and Friday)**

**Proposed activities**

1. **Games** (Volleyball, Basketball, Throw Ball, Football and Hockey)
2. **Instrumental Music** (Guitar and Key-Board)
3. **Art and Craft** (Painting, Drawing and Clay Modelling)
4. **Dance** (Classical, Modern Jazz & Contemporary freestyle)
5. **Cyber Space** (Hardware & Networking, Desktop Publishing, Computer Graphics, Web Development, Image Processing using Python/AI Tools and UI/UX Tools)
6. **Yoga** (Artistic and Rhythmic Yoga)
7. **Innovators Club** (A vibrant platform that nurtures students' creativity, critical thinking, collaboration, and problem-solving skills)
8. **HAM Radio and Astronomy Club** (Clubs offer students a gateway to explore space science and communication technology)
9. **Flight Club** (Exploration of flight-related topics such as aerodynamics, aircraft engineering, and aviation history)

*Please Note: Programme 7, 8 and 9 will have additional sessions on certain Saturdays and special occasions. There will be no additional cost involved in those programme.*

**Programme Fee Payable in Two Instalments (Non-Refundable)**

Sl. No.	Category	Fee (Rs)
1	Students already availing regular School Bus facility	7500/-
2	Students not enrolled for regular School Bus facility and want to avail for the return trip after the activity	8500/-

Participation in the programme is entirely voluntary. A nominal registration fee mentioned above will be charged, which will cover evening refreshments, post-programme conveyance, and honorarium for the facilitators.

A student can enrol for **ANY ONE** of the above programmes using the link below. Students will have to bring their own instruments/tool kit/equipment for the various activities, the details of which shall be given by the instructors.

Upon registration, using the Google Form, a payment link shall be sent to the registered mail ID of the parent and an SMS to the emergency contact number, for making the fee payment by 30<sup>th</sup> June 2025. No other mode of payment will be accepted.

**Registration Link for Google Form:** <https://forms.gle/GeeUdFfbgKj59B8A>

NB: The programme would commence only on a minimum number of students registering for the programme

Best Regards,

Mathew K G  
(Principal)
