

**Foundation Programme (Classes 7, 8, 9 & 10)**

Dear Parent,

Greetings from Excel Public School!

We are pleased to inform you about an exciting opportunity for your child to join the **Foundation Programme** introduced under the banner of ECTS – Excel Centre for Theoretical Sciences. This initiative is designed for students of Classes 7, 8, 9, and 10 to strengthen academic foundations and prepare for competitive examinations such as Olympiads and other national-level contests.

The programme aims to promote deeper understanding in Mathematics and Science while developing analytical reasoning and problem-solving skills.

It also introduces students to effective strategies for exams, including time management and test techniques.

**Programme Details**

- **Days** : Tuesdays and Thursdays
- **Timing** : 4:00 p.m. to 5:20 p.m.

**Scope of the Programme**

- Strengthens core concepts and builds a solid theoretical understanding that encourages independent thinking.
- Introduces advanced topics beyond the school curriculum.
- Familiarizes students with the pattern and expectations of Olympiads and similar competitive exams.
- Outstanding performance can lead to scholarships, recognition, and access to broader academic opportunities.
- We believe this programme will be a valuable step in your child's academic journey. Further details regarding enrolment and fees will be shared soon.
- Please feel free to contact us for any additional information.

Participation in the programme is entirely voluntary. A nominal registration fee will be charged, which will cover evening refreshments, post-programme conveyance, and honorarium for the facilitators.

The programme is scheduled for **40 days** during the Academic Year 2025-26 (from **July 2025 to January 2026**), and will be held on **Tuesdays, and Thursdays**, excluding government-declared holidays, Term-end Assessments and Term Breaks.
