

Empowered Endeavours

Meghna M of grade 12 was selected for the esteemed Lodha Genius Programme, a month-long, fully funded educational initiative by the Lodha Foundation in collaboration with Ashoka University. Designed to nurture exceptional talent in Science and Mathematics, the programme offered Meghna an enriching blend of academic rigour, expert mentorship, and essential life skills. Her successful completion of this prestigious programme was marked with a certificate of achievement, reflecting her commitment to excellence and future readiness.
