

Olympiad Achievers

Students from the primary grades have demonstrated exceptional academic abilities by securing top zonal ranks in the SOF Olympiad competitions. Naija Avinash of Grade 4 earned an impressive Zonal Rank 2 in Mathematics, reflecting strong problem-solving skills and logical reasoning. In Grade 5, Advith A secured Zonal Rank 4 in Mathematics, while Sthuthi Avinash achieved Zonal Rank 7 in Computer Science, both demonstrating exceptional subject mastery and dedication.

From Grade 3, Nathaniel Kakede stood out by securing Zonal Rank 6 in Mathematics, a commendable feat at such a young age. These achievements reflect the students' curiosity, discipline, and enthusiasm for academic excellence.
