

Stellar Achievements in SOF Competitions

Students of Grade 10 have exhibited exceptional performance in the Science Olympiad Foundation (SOF) competitions. Ashrit A A secured an impressive International Rank 32 and clinched Zonal Rank 1 in the SOF International Hindi Olympiad, demonstrating outstanding language proficiency and cultural knowledge.

In the SOF International Computer Olympiad, Sai Likith Reddy achieved International Rank 23 and Zonal Rank 2, showcasing strong analytical and computing skills. Similarly, Ayush Shettar earned International Rank 41 and Zonal Rank 3, reflecting his command over computer science concepts. These accomplishments highlight the students' academic excellence, discipline, and commitment to mastering diverse domains.
