

A Record Breaking Young Mind

Midhush Shourya CH of Class 1 has achieved an extraordinary milestone by earning a place in the Influencer Book of World Records as a Rising Influencer. He successfully recited the entire Periodic Table of Elements in 64 seconds, showcasing exceptional memory, focus and scientific aptitude.

This accomplishment reflects his impressive retention ability and clarity of thought and a deep curiosity for learning. His achievement stands as a shining example of early academic brilliance and cognitive excellence, inspiring young learners to explore, challenge themselves and aim beyond limits.
