

06<sup>th</sup> May 2026

Dear Parents,

**Sub: Compulsory Attendance on the Reopening Day**

Greetings from Excel Public School!

As already communicated through the Year-End Circular, the school will reopen after the Summer Vacation as per the dates shared earlier, which are given below for your reference. We request all parents to kindly ensure that your wards report to school on the very first day of reopening without fail.

**Koorgalli Campus**

- Class 3 to 12 : 1<sup>st</sup> June 2026 (Monday)

**Foundation School**

- UKG and Class 2 : 1<sup>st</sup> June 2026 (Monday)
- Pre-KG, LKG and Class 1 : 3<sup>rd</sup> June 2026 (Wednesday)

The school has consistently maintained a policy that students are expected to report to school on the notified reopening dates after vacations and term breaks. In this regard, the school would not appreciate requests seeking extension of holidays or permission for delayed reporting after the Summer Vacation, except under genuinely unavoidable circumstances.

The reopening days after vacations and term breaks are extremely important in the academic life of the School. These initial days involve orientation sessions and important interactions that set the tone for the entire academic year. Absence during this period affects not only the student concerned, but also the smooth conduct of classroom activities and school processes.

Parents are also requested to note that regularity in attendance and punctual reporting are among the factors considered while identifying students for internal and external events, competitions, school teams, leadership opportunities, student-led committees and other important engagements during the academic year.

At Excel Public School, we strongly believe that regular attendance, punctuality, discipline and respect for institutional norms are values that must be nurtured jointly by the school and parents. We seek your wholehearted cooperation in helping us instil these habits and responsibilities in our students.

Please note that the school office shall not be in a position to respond individually to emails requesting such relaxations or permissions. Parents who nevertheless choose to extend their child's vacation despite this communication may kindly understand that the school would assume that they are agreeable to their ward missing the opportunities and responsibilities referred to above.

We look forward to welcoming all our students back to school with renewed enthusiasm and energy for a meaningful and productive academic year ahead.

Warm Regards,

Mathew K G  
(Principal)
