

29th June 2026

Dear Parents,

Sub: Annual School Health Check-up for the EPS Students

Greetings from Excel Public School!

The health and well-being of every child is an integral to their overall growth and development. As part of its continued commitment to nurturing the holistic development of its students, Excel Public School will be conducting the Annual School Health Check-up for all students during the month of July 2026 in association with AddressHealth Solutions India Pvt. Ltd.

The health check-up will be conducted at the school premises, during the school timing and will be provided to all students at no additional cost.

A printed notification containing a QR code has been sent home with your ward. Parents are requested to scan the QR code to access the digital registration and complete the required details.

Important Note:

Parents are requested to complete the registration and consent process on or before 30th June 2026.

Your cooperation in completing the registration process within the stipulated timeline will help us ensure the smooth conduct of the health check-up programme.

Warm regards,
Mathew K G
(Principal)
