Dear Parents,

Sub: Parent-Teacher Meeting for Play-School and LKG

"The strongest foundation for a child's success is built when parents and teachers walk together with a shared vision and purpose."

At Excel Public School, we believe that a child's educational journey is most meaningful when parents and teachers work together with a shared understanding of the child's needs, aspirations and growth. Open communication and collaborative engagement between home and school, play a vital role in creating a positive and supportive learning environment for every child.

As our Pre-School students settle, we consider it important to engage with parents and share insights into the learning experiences, classroom practices and developmental milestones planned for the academic year.
