

A Record-Breaking Solve

Satvik Choudhary of Class 5 achieved an outstanding feat at the Rubik's Cube Solving Competition organised by the Worldwide Book of Records 2026, solving the cube in an impressive 1 minute and 17 seconds and setting a World Record.

Demonstrating remarkable speed, concentration, spatial reasoning and problem-solving ability, Satvik completed the complex sequence of moves with precision and control. His record-setting performance is a remarkable achievement that reflects his sharp thinking, dedicated practice and determination.
