Dates:

**STEM Convention
for Teachers**
27th Aug 2026

Time: 09:00 AM
to 05:30 PM

**STEM Convention
for Students**
28th Aug 2026

Time: 09:00 AM
to 05:30 PM

STREAM Fest

29th Aug 2026

Time: 09:00 AM
to 03:30 PM

STEM Teacher Convention | "Future-Ready Education"

– **27th August 2026 | Time: 9:00 AM to 5:30 PM**

Focuses on capacity-building for educators through expert plenary sessions on emerging STEM trends and pedagogy, hands-on workshops on AI tools, robotics, sustainability, and design thinking, and practical strategies for interdisciplinary STEM integration in the classroom.

STEM Student Convention | "Innovate, Compete, Solve"

– **28th August 2026 | Time: 9:00 AM to 5:00 PM**

The Student STEM Convention is a challenge-based innovation experience. Students attend an inspirational plenary and challenge briefing, apply their learning to a Grand Challenge by building prototypes in teams, and receive mentoring from experts as they refine their solutions.

Challenge 1: Excelocity

28th August 2026

Excelocity is a on spot-model making competition. Topics, and materials will be provided. Students are encouraged to come with a problem-solving mindset and basic knowledge of mechanics. There will be multiple rounds.

Challenge 2: Insight '26

28th August 2026

Insight 26' is a paper presentation and poster display competition.

Topics: CHOOSE ONE

- a. Human-Robot Symbiosis: Cooperation, Not Competition
- b. Bio-inspired Engineering: Learning from Nature (**CLICK for more info**)

Challenge 3: The Big Pitch

28th August 2026

The Big Pitch is an entrepreneurship challenge where students pitch innovative ideas to experts, showcasing creativity, problem-solving, and business acumen while inspiring future entrepreneurs. (**CLICK for more info**)

Challenge 4: Cosmic Clash

28th August 2026

Astronomy Quiz is an exciting competition that challenges students' knowledge of space science, celestial phenomena, and space exploration while fostering curiosity, critical thinking, and scientific inquiry.

STREAMFEST | "Celebrating Innovation, Showcasing the Future"

– **29th August 2026 | Time: 9:00 AM to 3:30 PM**

The STREAM Fest celebrates innovation through exhibitions, pitches, and awards, where students and teachers showcase creative STREAM solutions that highlight collaboration, inquiry, and interdisciplinary learning.
