SENIOR SECONDARY PROGRAMME - 2027-29

Empowering Future, Inspiring Excellence

The Senior Secondary Programme at Excel Public School is thoughtfully designed to provide students with a strong academic foundation, real-world exposure, and personalised guidance for higher education and beyond. Integrating rigorous academics with innovation, values, and wellbeing, the programme empowers learners to pursue their aspirations with confidence and purpose. Through experiential learning, career guidance and preparation and holistic development, we prepare every student to thrive as a confident, responsible, and future-ready individual.

PROGRAMME HIGHLIGHTS

- Ubiquitous and Flexible Learning
- Application-Oriented and Experiential Learning
- Holistic Growth and Well-being
- Stress-Free and Supportive Environment
- Future-Ready Skills and Global Outlook
- Character and Citizenship Education
- Student Agency and Ownership
- Career Guidance and Decision Support
- Internships and Work-Life Exposure

FUTURE READY CURRICULUM

The curriculum we offer is built on the principles of innovation, interdisciplinarity and competency-based learning. It equips students with the essential knowledge, skills and values needed to navigate the complexities of the modern world, integrating academics with creativity, technology, and purposeful engagement.

Subjects Offered

We offer a broad spectrum of learning opportunities through a diverse range of subjects, allowing students to pursue their interests, discover their strengths and design individualised pathways toward higher education and meaningful careers.
